Trimester 2 Goals

Welcome to Trimester 2! As our 5th graders step into greater independence and dive deeper into the curriculum, here are our primary goals for students to accomplish over the coming trimester:

Academic Growth

- Reading & Analysis: Deepen reading comprehension by analyzing informational texts, identifying main ideas, and using text evidence to support written responses.
- Math Fluency & Problem Solving using Amplify strategies.
- Science & Social Studies: Using investigations and projects to develop critical thinking and research skills.

Responsibility & Self-Direction

- Take ownership of assignments and projects.
- Maintain focus during work time and minimize distractions.
- Follow directions and ask clarifying questions.

Community & Mindset

- Practice mutual respect and active listening during class lessons and discussions.
- Work collaboratively with peers on group projects.
- Build a strong growth mindset when tackling new challenges.

Homework Responsibility

All students have homework daily. They are to complete the homework and have it at school the next day.

Homework Schedule (about 35-60 minutes):

- *Skills Practice (5-10 minutes)*
- *BoostMath & Lexia Pathway Goals (10-20 minutes)*
- *AR Reading (20-30 minutes)*

Thank You!

Thank you so much to the students and families for contributing the delicious treats and snacks for our class Halloween R.o.Ach! Your generosity helped make our classroom celebration truly special and fun. We are grateful for your continued support in creating joyful and memorable moments for our students!
